## **About the USC Good Neighbors Grant Program**

The mission of USC Good Neighbors is to provide greater coherence, visibility and coordination of the university's partnerships with the community. Priorities are to:

- 1) Improve the quality of K-12 education, and enhance the quality of life for children and their families, with special consideration for improving student achievement
- 2) Improve health outcomes, particularly in the area of obesity and diabetes
- 3) Improve community safety through community policing or other initiatives
- 4) Promote economic development projects including workforce training, entrepreneurial stimulation through small business development and employability enhancement for local residents
